

## Sandy glue paint

**What you need:** Squeeze bottle or cake bag  
1/2 cup glue  
1/4 cup sand  
2 Tbs. tempera paint or poster paint  
Paper

**How to make:**

1. Mix glue and sand together in a small bowl.
2. Stir in paint. Keep mixing until the color is evenly blended.
3. Spoon mixture into a squeeze bottle or cake bag.
4. Squeeze onto paper for unique 3-D sandy glue artworks!
